Artica Pro

Bluetooth headphones designed to use with mobile phones and tablet. Thanks to A2DP technology, you will handle directly with the media player buttons on the handset can change songs (forward/ reverse) pause playback and volume up and down. Also, if you are using the phone and you get a call the music stops and you can answer it without removing the phone from the pocket (thanks to the incorporated microphone). It is easy foldable and easy to transport thanks to its rigid premium hard shell carry case included. One of the main features is the connection cable 3.5 mm jack that allows you to connect to any player (Mp3, phone, tablet, PC, etc.) and through which, if you run out of battery during a trip you can still enjoy your favourite music. Enjoy the freedom of listening music without cables!
